Edyth—I dearily love to take long walks. Only yesterday I covered a mile in less than ten minutes.

Mayme—With your feet, dear, I should think you might cover that distance while standing still. — Indianapolis Star.

YOURS TRULY,  
WILLUM

n. y. — I gess the next time the williams family has company over for dinner on sundy they will give there little freddy a furlow or leaf of absence caus he sirtienly did stir up sum trubble last sundy

but if mr. williams brother wasnt such a hefty feeder at the tabel when hes invited out to a meal this wood-ent be a storey to rite about today

mrs. williams aint stuck so much on her brother in law for one reason or other, princaply because he eats em-out of house and home when he stays for his meals

well last sundy he came over for another mess of food and he was keeping up his rekard eating plates clean when mrs williams tried to be polite and ast brother in law to have another peace of pie

hungry brother hands over his plate and chirps

why reely ive already had 2 peaces but its such good pie i beleeve i could eat another peace

there was where freddy broke loose

haw, haw, he hollered, maws rite again pop, she said uncle wood make a pig of hisself and i gess he done it allrite, allrite

gee whiz you ought to seen his paw grab little freddy and yank him into the parlor

when i saw freddy yestrdy he cood-ent sit down yet

Auction sales originated in ancient Rome and were introduced to enable soldiers to dispose of spoils of war.
